No problem. I'll take care of it. I'll make a Costco run on the Monday before the event and bring them by the station. Will you be at work on Monday, August 31st?

Hi Lucy,

Glad to hear that you're back. I will be at the event. an the Wilshire Center BID would be happy to donate the waters for the event. However, I'm not sure how I would get them all there. If you have someone that can supply them I can pay for them. Or I can make a Coscto run and pick up about 200-300 water bottles (or as many as will fit in my car).

Thank you,

Hello Mike,

I am back from surgery and looking forward to our next big event, National Night Out. We would love to see you and your team the night of August 1st.

Also, I was wondering if you knew any water suppliers as we are looking for water donations for our guests and children that will be participating in the event. We want to keep them hydrated during the march but with over 600 participants we run out water fast.

Please let me know if you will be able to attend and if you know of anyone that can donate water.

Thank you and be safe,
